QUADRO Features

01

NFT Marketplace

Quadro has a start of the art NFT marketplace which is currently in the beta stage, users can buy and sell QuadroRobo NFTs on the marketplace

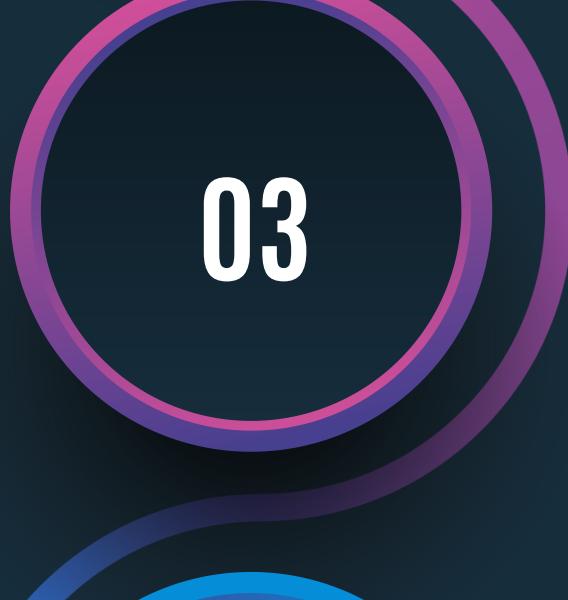

02

Staking Dao

One of the most important utility of Quadro is its staking DAO, you can stake your QUADRO holdings and earn juicy APY thereon

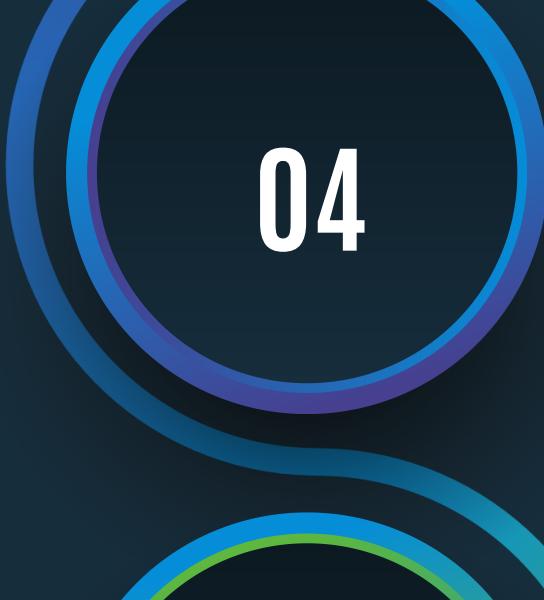

03

Cross Chain

At Quadro we believe in diversity and we plan to expand our ecosystem to other blockchains like Ethereum , solana in the near future

04

P2E Game

Quadro will later have a play to earn game where will be an usecase for our QuadroRobo NFTs

05

Kyc and Audit

QuadroToken will be 100% safe and secured. It will be audited by top auditors and also the DEVs are kyced and doxxed
